Subject: - Biometric Face Recognition System.

C I R C U L A R

With a view to ensure punctuality towards duties, "Biometric Face Recognition System" required to be installed in the premises of all Drawing and Disbursing Officers working under the administrative control of this Directorate for monitoring the arrival and departure of the employees. It has come to my notice that Biometric Face Recognition System is still not installed in some of the offices which is viewed very seriously.

As such, it is, enjoined upon all Drawing and Disbursing Officers to install Biometric Face Recognition system in their respective offices and enroll the employees so that they shall mark their attendance on arrival and departure.

Treating the Matter as Most Urgent.
