Dated:- 03 -07-2023

Whereas, Assistant Director, Dairy Goat Farm Rajbagh Vide Communication no DGFR/F&F/23-24/246-47 dated 21-06-2023 has submitted proposal to this Directorate for allotment /Transfer of departmental land at Rehian (Samba) to Dairy Goat Farm Rajbagh for alternate grazing.

Whereas, in response to this office letter no DSHJ/F&F/2023-24/5351-56 dated 16-06-2023, Assistant Director Dairy Goat Farm Rajbagh along with Deputy Director (Feed & Fodder) of this Directorate visited the Land mentioned on the 19-06-2023 to assess the works to be taken for its land Development and its utilization as alternate grazing land.

Whereas, District Sheep Husbandry Officer Samba has 40 kanals of cultivable agricultural land along with newly constructed Hay shed and Feed store at Rehian (Samba).

Whereas, there is no livestock available with DSHO Samba and agriculture produce obtained from this land is either auctioned or shifted to Sheep Breeding Farm Billawar.

Whereas, Dairy Goat Farm has no other alternate Pasture for grazing of livestock. Moreover, Beetal breed of Goat maintained at Rajbagh is not suitable for highland migrations.

Whereas the stationary nature of this livestock and non -availability of alternate pasture land at Rajbagh has resulted in heavy parasitic infestations such as Haemonchosis, which results in production losses and huge mortality. The stain of Haemonchosis species at DGF Rajbagh is resistant to majority of drugs recommended for its treatment.
